Instructions to Applicants: A special use permit allows developments listed in section 9-2 of the zoning ordinance which have been designated "special uses." These may be public service uses which, although generally considered desirable or compatible with other uses in the zone district which they may be permitted, require special review. This review is performed by the Zoning Board of Appeals/Planning Commission at a public hearing.

The applicant should be able to show, by a site plan and documentary evidence, that the proposed development will be in harmony with the general purpose and intent of the zoning ordinance and will not be injurious to the neighborhood or otherwise detrimental to the public welfare.

All information requested below, a site plan as described on the attached sheet, and a development schedule providing reasonable guarantees for the completion of the construction must be provided before a hearing will be scheduled. Applicants are encouraged to visit the Office of the Zoning Administrator for any assistance needed in completing this application.
