4. Essays **MUST** address your choice of any one of the following two (2) issues/questions:

Electric Vehicles (EVs)

Q. Supporters of electric vehicles (EVs) claim that EVs can save businesses both fuel and maintenance costs. Do you agree, and if so, explain why? What do you see as the advantages and disadvantages of EVs? If you owned and operated your own delivery business, what particular brand of electric vehicle would you buy for your fleet, and why?

Benefits of Public Power

Q. Public power has many distinct characteristics (compared to investor-owned utilities and rural electric cooperatives) that directly and indirectly benefit consumers and contribute to community progress and economic development. What are some of these many benefits, and how do you see them contributing to your community's betterment, including its quality of life? Please cite specific examples.

5. The deadline for submitting written essays is **Friday, March 10, 2023**. Please send your essay, transcripts and completed application to the address listed on the bottom of the application.
6. A total of **four (4) finalists** will be chosen by the IMUA Scholarship Committee. Each finalist will receive a finalist certificate and a \$1,000 award from IMUA. **Winners will be announced sometime in April.**

GOOD LUCK!
